

BGU International is launching this summer a new 1-month program: **Modern Israel Summer Program**.

We are thrilled to offer a unique opportunity to **learn to speak Hebrew or Arabic** while living in Israel and **learning about Israeli culture and society**. The program combines an Ulpan-style (conversation-based) Hebrew or Arabic course with lectures about Israeli culture and society and field trips.

Alongside peers from **around the globe** students will Immerse in Israeli daily life, living on our campus in Beer-Sheva, enjoying activities and trips, and making memories to last a lifetime!

For fans of archeology, there is an option to join us two weeks earlier and participate in a meaningful archeological dig in the Negev.

Please share this unique opportunity with your students, colleagues, staff, and others.

**Course Dates:** July 30th – August 31st, 2023
